Table Host Information

Thank you for serving as a Table Host for Mid-Valley Fellowship's Benefit Dinner in November. Your involvement will make this exciting evening a great success!

Why are we here?

- To enlist those who will financially partner with Mid-Valley Fellowship in ministering to individuals struggling with sexual wholeness.

What is success in this context?

- Sharing the vision and mission of Mid-Valley Fellowship with a large number of people all at once
- Guests feel valued and cared for
- Allowing God to work in the hearts of people to financially partner in the ministry of Mid-Valley Fellowship. God has prepared and knows the people who need to be in the room that evening. It is simply our job to invite them.

Table Host Job Description

- The role of Table Host is a very relational one.
- Identify and connect people you know with Mid-Valley Fellowship through the benefit dinner.
- Follow up on your invitations.
- Hospitality by helping make your guests feel welcome and appreciated on the night of the dinner.
- Leading table conversation among your guests on the night of the dinner.

Tips on Finding Guests

Sometimes figuring out who to invite to the Benefit Dinner can be a challenge. However, we all have various spheres of relationship in which we engage on a weekly or even daily basis. Consider these groups of individuals and whether there are people in each group that might be good to invite. Pray into each sphere you're a part of, and see if God brings anyone to mind.

- people you attend church with
- people you work with
- family members in the area, including extended family
- neighbors
- people who have invited you to a benefit dinner for another organization
- fellow members of groups in the community (other school parents, athletic teams, fraternal clubs)
